

"There are two educations. One should teach us how to make a living and the other how to live."

- John Adams 2nd President of the United States

Hello Team,

I hope everyone is adjusting well and had a chance to decompress after orientation and EIL. A few days before each Residency, I will send a detailed version of the residency schedule as a reminder for the weekend. However, with this being the first residency in Chicago, I wanted to give everyone more lead time to prepare.

Proximity Card

We provided you with a Proximity Card, a thin white card in your "go bag." The Proximity Card is required to gain access through the turnstiles. Please have a photo ID, preferably NDID, on hand if you forget your Proximity Card. Please let us know if you've lost your card after your arrival. We can provide you with a new one for a \$30 fee.

In addition, anyone who would prefer to wear a mask in any setting on campus is welcome to do so. We are kind and respectful of everyone in our community and their choices.

Class Day Opening Prayer/Intention

UNIVERSITY OF
NOTRE DAME

MENDOZA COLLEGE OF BUSINESS

We start each day 10 minutes before class time for cohort announcements and prayer/intention. We take a moment to pause and transition from a work/home mindset to an academic and personal growth mindset. It is your time to build and center as a cohort. We make the space, and you make the most of it as a student-led time of prayer or reflection. We will talk more about this next week. However, in the meantime, if you would like to lead a class prayer or share a poem or intention this residency, please send me a quick email at bshanno5@nd.edu. All faiths and students are welcome.

I am looking forward to welcoming you to the Chicago campus.

Thank you, Irish and safe travels!
