

Residency Reminder | March 9-11, 2023

Good Evening Irish!

I hope everyone is doing well and enjoying the unseasonable weather! Your residency is busy academically and cityside with the 68th annual dying of the Chicago River on Saturday, March 11, at 10:00 a.m. kicking off the St. Patrick's Day parade. Sorry, you need to be in class!

Please take a moment to review set-up notes in advance of the residency.

Exams | Thursday, March 9

While I should not have to remind you that we kick off the residency with Prof. Sun's Supply Chain exam, it is worth noting it starts promptly at 8:00 a.m. For this reason, announcements will take place during lunch before Prof. Crant's exam begins. Please remember that arriving late to class, let alone an exam, is disruptive to classmates and cuts into your exam time. If you are in this predicament for Thursday, please text me at 219.789.8069, so I can apprise Prof. Sun of your arrival.

Lunch & Learn | Friday, March 10th

In addition to the kick-off of two new courses, Strategic Marketing (Ganesh) and Equity Valuation (Loughran), we welcome [Debbie Chan](#), VP of Finance and [Lori Gordon](#), VP of Customer Experience at [Bunzl Retail Services](#). Courtesy of your classmate, Christine Huffer, they will join us for lunch and provide perspective on Operations and Supply Chain: How to Change Business Models. We expect all cohort members to be present for the Lunch & Learn. The schedule is as follows:

Noon | Informal Lunch with Debbie Chan and Lori Gordo
12:35 p.m. | Presentation: Operations and Supply Chain: How to Change Business Models
1:00 p.m. | Q & A
1:15 p.m. | Conclude
1:15 p.m. - 1:30 p.m. | Break

St. Patrick's Day Mixer | Friday, March 10

Please join Student Services immediately following class for a 5:30 p.m. - 7:00 p.m. for St. Patrick's Day-themed mixer in the dining room. Go Irish!

Class Visits | Saturday, March 11

Strategic Cost Management (Meyer) begins on Saturday. We also have a class visit with upwards of three students. Please take the time to interact with our guests and share your experience with them.

Class Day Opening Prayer/Intention (Friday and Saturday only)

If you want to lead a class prayer or share a poem or intention for this residency, please email me directly at cgramhof@nd.edu. All faiths and students are welcome.

I am looking forward to seeing everyone this weekend!

Warm regards,
Christine
