

Residency Reminder | May 4-6, 2023

(posted under the EMBA Portal under [Residency Announcements](#))

Dear Cohort!

It's hard to believe that the end of the Spring term and your first year of the program is upon you. Please take a moment to review set-up notes in advance of the residency.

End-of-Term Deliverables

You should be well aware of your faculty's end-of-term deliverable by now. If you cannot attend one or more days of the final residency for unanticipated or unavoidable reasons (e.g., illness or personal loss), please immediately contact your faculty (cc: myself and Suzanne).

Full House

For the first time this term, we will share the residency with MSBA Chicago, which also is wrapping up the term. Aside from the dining area, some EMBA learning teams will use the group study rooms on the 3rd floor for Prof. Loughran's group final on Saturday while the MSBA students take their final Machine Learning exam.

Electives Course Materials

Academic Operations will distribute course materials for the Summer Electives on Thursday. Please plan accordingly so you can take these materials with you at the residency's close.

Important Note | Parking at Millenium Park Garages

The Millenium Park South parking garage switched to a new system. Please see the details below.

- *Current cardholders must reactivate their cards.* Attached is the form that needs to be filled out (the parking office shared the . PDF, so I apologize for the quality.) Upon arrival at the garage, take a ticket and then make your way at some point to the parking office with the completed form, parking ticket, and access card for reactivation.
- *To sign-up, complete the 2023 Millennium Garages Registration Form (attached).* Upon arrival at the garage, take a ticket and then make your way at some point to the parking office with the completed form and parking ticket. At that time, you should receive your access card.

Plan on spending at least 10-15 minutes to complete the process. Student Services cannot act on your behalf as photo identification may be required, and your credit card information is necessary to activate/reactivate the access card.

Class Day Opening Prayer/Intention

If you want to lead a class prayer, share a poem or intention, or announce good news for this residency, please email me at cgramhof@nd.edu. All faiths and students are welcome.

I am looking forward to seeing everyone this weekend!

Warm regards,
Christine
