

MENDOZA COLLEGE OF BUSINESS

Residency Reminders | August 25-26

(posted under the EMBA Portal under ([Residency Announcements](#)))

We are excited to see everyone back on campus and in the classroom! There are several important reminders and updates for the weekend, so please take a moment to review this document.

Thursday, August 24

No class.

Friday, August 25

Announcements | Begin at 7:50 a.m.

I welcome (and encourage) anyone who wishes to kick off the Fall Term with a prayer or Intention to let me know. Prof. Adkins will begin promptly at 8:00 a.m. As we start the new term, we should strive to arrive and be prepared to start on time. At the end of the spring term, I received a fair amount of feedback that late arrivals to class were disruptive and disrespectful to the faculty.

Nameplates

I have all but four student nameplates left in South Bend after the June Electives Immersion. I will reach out individually to the four students reminding them to bring their nameplates to class. All others will be set out in the classroom as usual.

Revised Lunch Schedule | 12:00 - 12:40 p.m.

Given the Lunch and Learn with Prof. Adkins, we have reduced the lunch time to 40 minutes in the dining area. You may continue to enjoy your lunch in the classroom during programming. Additionally, MSBA will be in residency this weekend and joined by their Capstone Corporate Sponsors. It will be a full but welcome house.

Learning Team (Year Two) Charters

I still am missing team charters from four learning teams. Please email your team charter before the start of the residency. Thank you.

Lunch and Learn | EIL Touchbase with Professor Chris Adkins | 12:45 – 1:15 p.m.

Professor Adkins will join us for lunch and discuss your second-year EMBA teams. We will take a moment and examine your Tender, Strong, and True leadership goals, and experiences as you start the second half of your EMBA career.

Nick Berente | Data & Technology for Senior Leaders

Prof. Berente will kick off his first class of the Mod beginning at 1:30 p.m.

Special Event | Chicago Architectural Boat Tour | 7:00 - 9:00 p.m.

A special thank you to Brendan for coordinating a fantastic kick-off event for the cohort. We will distribute tickets during the afternoon break. You must arrive at the dock by 7:00 p.m. to board. Again, tickets are purchased, but for more information on the tour, visit [here](#).

Saturday, August 25

The morning class continues with Prof. Berente through lunch. Your afternoon class is the first of two in-person classes with Prof. O'Brien.

Guest Speaker | Attorney Paul Simon, 3:15 - 4:15 p.m.

Prof. O'Brien will host Attorney Paul Simon, who will wrap up the residency.

Please let me know if you have any questions and safe travels!

Warm regards,

Christine
