## Residency Reminder | August 17 - 19, 2023

Hello Irish,

We are looking forward to seeing everyone back on campus and in the classroom! We have several changes and moving parts this weekend so please read through this Residency reminder. Since we are heading onto the Football field on Thursday please feel free to dress in ND swag during class on Thursday! As noted below Athletics also requested that no high heels be worn on the field.

As always - if you have any questions please reach out. I am happy to help.

See you soon!

### Campus Parking

[Undergraduate Move-in Days](#) are this weekend. Please expect more traffic on and around campus so and plan accordingly.

It is the Program's policy that students who wish to park on campus may do so by purchasing an annual student parking permit. However, for this academic year, the Program will also offer free parking for class days for your cohort only. Therefore, you have two parking options...

- Student purchased Parking Permit: good for the 2023-24 academic year (June 2023 through May 2024) and includes campus parking access every day and non-black-out parking dates. You may park in any student-designated lot on campus.
- Residency Weekend Free Parking Code. For this residency the code is **E2HAH28**. This code is valid for residency class days and non-black-out parking dates and is only for the pay-parking visitor lot next to the Walsh Architecture building. See [ND Campus Map](#) and search Walsh Architecture Visitors Lot

### Morris Inn Update

Beginning August 7, the Morris Inn, Rohr's, and Cafe J implemented a cashless environment, joining the rest of the Notre Dame campus that has been cashless since the summer of 2022. For individuals who do not have a credit or debit card, kiosks have been installed in Duncan and LaFortune Student Centers where cash can be transferred to a Visa Gift card to complete transactions on campus. In addition, the ATM machine inside the Morris Inn will be converted to handle bills as small as \$5, should guests be looking for a way to obtain small amounts of cash. The website and hotel confirmations have been updated to reflect this change.

## Special Events

- Thursday After Class | Football Field and Welcome Back Mixer | 5 to 7:30 pm ET

Our evening will have two parts...

1. 5:00 to 6:00 pm ET Football Field Access: Immediately after class we will gather at the ND Stadium student gate, run down the Fighting Irish tunnel, and on to the field. The ‘Play Like a Champion sign is part of the locker room and thus off limits for us – but we will play like champions anyway! We were notified today 8/15 that footballs and shoes with heels are no longer allowed on the field. This is a change as we had said you could bring your own football. In order to protect future field access, we will protect the Fighting Irish field and follow the team’s guidelines. Please feel free to dress for Thursday’s class in ND swag since we are heading to the stadium directly after class.
2. 6:00 to 7:30 pm ET Foley’s Welcome Back Mixer (bar and lite apps): We will then head to Foley’s to enjoy time with each other and further explore the venue's collection of Fight Irish memorabilia.

Chicago Cohort Invite: We acknowledge that this day/time is not a good match for the Chicago cohort, but with no guarantee of field access in the spring of 2024, we extended an invitation for them to join us. We hope several of your peers can make it!

- Friday Lunch and Learn | EIL Touchbase with Professor Chris Adkins | 12:00 – 1:30 pm
  - Professor Adkins will join us for lunch and a discussion about your second-year EMBA teams. We will take a moment and discuss your Tender, Strong, and True leadership goals and experiences as you start the second half of your EMBA career.
