Residency Reminder | October 12-14

Hello Irish,

Next Saturday is our last Class Day/Game Day event together so let's keep our tradition and dress in ND swag during the class day.

As always - if you have any questions please reach out. I am happy to help.

See you soon!

Cassie

Class Day/Game Day Protocol

Your cohort will have access to the Stayer building all weekend. We have granted swipe card access to all approved students, staff, and faculty. If you are staying for the Game you may choose to leave your bookbag or luggage in designated Stayer breakout room 204. It will have swipe card access but only for those approved to be in the building that day. This room while not completely secure has a low theft risk. Please use this option at your discretion.

Campus Parking

Thursday and Friday: The standard parking options are in place...

- Student-purchased Parking Permit: campus parking access in any student-designated lot on campus.
- Residency Weekend Free Parking Code. The Walsh Visitor Paid parking lot machines have been replaced and new codes are being issued. **As soon as we have them I will post them to the cohort.** This code is valid for the pay-parking visitor lot next to the Walsh Architecture building only. See [ND Campus Map](#) and search Walsh Architecture Visitors Lot

Saturday: The below Game Day Restriction apply...

- Parking will be available at the Innovation Center Lot with an approved parking pass. We will hand out the passes on Friday. Shuttle buses will be running their normal routes.
