Residency Reminders | November 16 – November 18

(Reminders posted on the EMBA Portal under [Residency Announcements](#))

Dear Irish:

Please forgive me for sending this announcement on the near eve of the residency. Fortunately, the residency is straightforward. Please note a few updates from last month's announcements.

Reminder | Nasdaq and Notre Dame – Road to IPO - November 16

Your classmate, Lauren King, will host the Nasdaq and Notre Dame – Road to IPO webinar from 6:00 p.m. – 7:00 p.m. EST. Calendar events contain link information. We hope you can join the presentation. If you do not have an invite, please let me know.

Social Innovation | Guest Speakers – Saturday, November 18

Prof. Bernal's welcomes guest speakers Ryan Maxwell, Phil Newbold, and possibly Nicholas Edquist (bios attached) to join the cohort for lunch and then address the class during Saturday's offering of Social Innovation. As always, we kindly ask and expect that the cohort receives and engages with our guests/alums respectfully and in appreciation of their time.

End-of-term Holiday Party | Friday, December 15 at Guinness Distillery

We are thrilled to close the term with a holiday season event at [Guinness Distillery](#) immediately following class on Friday, December 15. While we recognize that you will likely have finals the following day, we trust that the two-hour merriment in a reserved space will be the perfect way to calm any nerves going into exams!

Reminder | Class Day Opening Prayer/Intention

Please email me if you want to lead a class prayer or share a poem or intention for this residency.

Le meas and GO IRISH!!
