Residency Reminder | January 11-13, 2024

Hello Irish,

Welcome to the final semester of your EMBA career. We still have a lot of work ahead of us and some fun to be had before you walk across the commencement stage in May. So, let's get to it!

Below are a few reminders, and as always, if you have any questions, please don't hesitate to reach out. I'm happy to help.

Carpe diem!

Cassie

Campus Parking

Park Mobile Access Code is: **WILL POST CODE NEXT WEEK**

- Please note that the Park Mobile Access Code for free parking will be posted next week. To access Park Mobile, please use this link. Students must select "filters & access codes" and enter the unique access code for their residency to unlock free parking in the Walsh Student Lot. This can be done before arriving on campus. If students have redeemed the code through Park Mobile, they do not need to display any pass to park in the Walsh Student Lot. You may access Park Mobile using this ([link](#)).
- In addition, please be aware that parking is free in the Visitor Lots from Monday to Friday, between 4:00 pm and 8:00 am. No cost or permit is required to park on campus during the weekend.

Residency Nuances

- THR Welcome Back Mixer: See Special Events for details.
- THR FRI MSBA Chicago Cohort Orientation: We will share study spaces and Friday lunch with the incoming MSBA Chicago cohort this weekend.
- SAT Admissions Class Visit Day: See Special Events for details.
- Names Badge: Please wear your name badge – you will meet new faculty, guests, and several new students in Stayer. Thank you.
- The classroom can be cold or warm this time of year, depending on where you sit – remember your layers.

"The secret of change is to focus all your energy not on fighting the old but on building the new."
—Socrates, father of Western philosophy

Academic Spaces

- Classroom: EMBA classes will be in Stayer 213. Breakout rooms on the 2nd and 3rd floors have been reserved for EMBA students.
- Mendoza & Stayer Trash and Recycling Update: On behalf of the Building Services and Sustainability teams, we wanted to inform you about some trash and recycling updates in our buildings starting the week of **January 8th**. These efforts are part of the more extensive recycling expansion pilot program on campus. Here is what will be taking place at Mendoza and Stayer Center:
 - Waste stations will be added in several key spots outside classroom areas in each building.
 - Classroom waste bins will be removed to support waste diversion best practices. Signage will be added to each classroom, directing students to the nearest waste station.
 - We thank you for supporting recycling on campus and for your patience with these changes. As a pilot program, we understand changes and improvements may need to be made. Please don't hesitate to share any questions, concerns, or feedback. Our email is mendoza-fixit-list@nd.edu. If you want to learn more about the recycling pilot, please see the attached FAQ or visit [this page](#) on the Office of Sustainability website.

Special Events

- Thursday | Welcome Back Mixer at Morris Inn Private Dinner Rooms; 5:00 to 8:00 pm
 - We are planning a reception and dinner event with Spanish tapas and a signature cocktail, which will be focused on Spain. Along with Gianna and myself, we will be joined by Experiential Learning Director Megan Piersma and Immersion 3 Capstone Spain faculty, Professors Mike Mannor and John Busenbark. Please plan to join us for this all-cohort event.
- Friday Lunch & Learn | Lunch Break at Stayer Commons B; 12:00 to 1:30 pm
 - The programming for this L&L session is under consideration. More to follow on this. Thanks.
- Saturday Admissions Class Visit Day | Stayer Commons B & Classroom 213; 11:30 to 1:15 pm
 - Potential EMBA candidates will join us for lunch and the first part of the afternoon class. Thank you for saying hello and answering their questions!

“The secret of change is to focus all your energy not on fighting the old but on building the new.”
