Residency Reminders | April 4 - April 6

(Reminders posted on the EMBA Portal under [Residency Announcements](#))

Dear Irish,

We hope you had a wonderful Easter weekend, and we look forward to seeing you in Chicago this weekend. It's hard to believe, but this will be your next to the last residency. While it is a reasonably straightforward residency, there are three things of note, so please take a moment to review the information below.

Cohort Photo | Friday, April 5 (Lunch)

A photographer will join us on Friday, April 5, for a cohort photo on the main staircase in the atrium. Experience informs me that it is prudent to take the picture immediately following class, then break for lunch as people start to scatter as they finish lunch. Please plan to meet in the atrium by 12:10 p.m.

Corporate Governance | Guest Speaker – Saturday, April 6

Prof. Busenbark welcomes guest speaker EMBA alum [Jonathan Collins](#) during class on Saturday, April 6. Prof. Busenbark will share more information in class this weekend. As always, we kindly ask and expect that the cohort receives and engages with our guests/alums respectfully and in appreciation of their time.

End-of-term Program Reception | Saturday, May 4

We are thrilled to close the program with a champagne reception in the Penthouse immediately following class on May 4. Many classes before you plan a dinner (or final cohort outing) that late class. I've contacted Prof. Adkins to determine if he will teach the entire time on Saturday, May 4, to assist you in your planning. The program's champagne reception will last approximately one hour. I hope to have more information by the weekend.

Reminder | Class Day Opening Prayer/Intention

Please email me if you want to lead a class prayer or share a poem or intention for this residency.

We look forward to seeing you this weekend and hearing about your Barcelona experience.
