Residency Nuances & Special Events

Thursday | Graduation Full Circle Mixer with Father Pete McCormick from 5:15 to 7:30 pm

On your cohort Bucket list, you requested to spend time with [Father Peter McCormick](#), Assistant Vice President of Campus Ministry and EMBA Alum. You met him during your Now Irish orientation, and many of you asked to see him again as you graduate. This is an actual full-circle moment.

In addition, we have been granted access to a truly unique venue for this fireside chat. Immediately after class, we will head over to the Stadium's **1842 President & Trustees Room**. This venue is reserved for Dean-level guests, and we couldn't be happier about reconnecting you with Father Pete in this stellar venue. Take advantage of this opportunity to learn from a visionary ND leader and an EMBA peer.

Friday | Lunch & Learn at DeBartolo Performing Arts Center from 12:00 to 1:30 pm

- Cohort Photo
 - We will kick off lunch by taking a class photo of the cohort on the DPAC North patio. We will give everyone a copy of the photo as part of our End of Program May Celebration.
- Lunch & Learn Speaker - Joel Farran
 - Joel will be speaking on the best ways to get the most out of your degree and post-EMBA Career plans
- Lunch & Learn Guests - Diversity in Leadership Cohort
 - Please welcome DIL participants as they learn more about the ND EMBA program.

Friday | Stadium North Tunnel and Locker Room Tour From 5:45 to 6:45 pm

We have just been awarded the opportunity to complete another cohort Bucket list item – a chance to follow the Fighting Irish Game Day tradition of slapping THE "Play Like a Champion" sign before running into the North Tunnel. We will slow the process down a bit so you can take the self-guided locker room tour, and each of you can get your own "Play Like a Champion" sign photo. Go Irish!

May Residency Planning

There will be no evening events for the EMBA program. However,...

SAVE THE DATE | Thursday, May 9 Student-Led Mass

Father Stephen and the team will officiate a Mass for the cohort at the Grotto from 5:50 to 6:03 pm. All are welcome!

During the evenings, please feel free to celebrate your last residency together in a way most meaningful to you, be that small group dinners or larger gatherings. You will have academic deliverables due as well. So, work hard and play hard, savoring this time together. We have set aside time Saturday afternoon, May 11, for an End of Program reception to toast your achievements, give you a gift, and announce faculty and student award winners. Your final class day will end around 4:30 pm.
