For team definitions see next page...

Alumni Involvement Representatives

Enhance your ND experience by providing a connection between your class and Graduate Business Alumni Relations and area alumni. Keep the class informed about great networking opportunities and fun ways to engage with ND. The Reps will periodically meet with staff members from the Alumni Relations office to discuss current alumni events.

Social Service Representatives

Support the Notre Dame mission by leading your class in managing philanthropic endeavors and/or outreach. Present options compatible with the class schedule and gauge class expectations. Using support from within the class, mobilize class members toward service.

Student Life Representatives

Coordinate class-wide celebrations and other social events. You may choose to create community-building activities during Immersion Weeks, Residency Weekends, and recognition of birthdays, major life events and academic milestones. Student Services is happy to share past practices and ideas from alumni.

Student Ambassadors

Host visitors during Residency weekends. The Admissions team may ask you to reach out to candidates interested in the program after the visit via phone or email to answer questions and to provide counsel. Reps will also be in contact with Admissions staff about the visitor's experience.

Class Academic Representatives

Create, organize and update course deliverables via various platforms such as spreadsheets or Google Docs. If needed, Student Services can share templates created by past students.
